About Rainbows

Rainbows is the largest international, non-profit charity dedicated solely to helping the world's children successfully navigate the very difficult grief process associated with death, divorce, deployment of a family member, incarceration of a loved one, a catastrophic community event, or any of a multitude of significant event traumas. For 27 years, **Rainbows** has sustained over 2.2 million children in the wake of their personal or community tragedies through our programs and services. The **Rainbows** message is simple, while the pain of loss cannot be avoided...it doesn't need to hurt forever.

Your support of our Summer Solstice Sunset Run will support our mission to provide a healthy path toward healing and ensure that **Rainbows** will be able to guide the next generation of kids through life's storms.
