Special Kids Network is an independent non-profit organization that was created to provide funding for programs that help children and young adults with special needs. Our mission is to create community awareness and raise funds in support of organizations who believe that every child and young adult — regardless of the nature of their background or disability— should be able to enjoy life to its fullest and to participate in the mainstream of their community.

2011 has already been a great year for the Special Kids Network. We partnered with the Chicago Blackhawks' Charities & Orange Country Chopper Foundation on creating a custom built Chicago Blackhawks' Stanley Cup Chopper that was raffled off in April. We recently concluded our 12th Annual Celebrity Golf & Women's Tennis Tournament on July 25th and we are excited about what's to come in the future for our organization.
