

State of the Heart Caring Award

Rainbows has been successful in reaching over one million grieving youth since its inception in 1983 because of our countless volunteer Coordinators/Facilitators, supporters/donors, and our dedicated Staff and Board Members. This labor of love is a combined effort that has circled the globe because of their assistance, talents, and most of all, their philosophy of HOPE on behalf of the children we serve.

If you would like to tell us about someone you know who has exceptionally fostered our mission through their efforts in Rainbows, please send in the Nomination Form below. **If chosen, this person will receive a Rainbows State of the Heart Caring Award along with a letter of recognition and be featured in The Hues Online newsletter.**

(The number of awards granted will be decided according to the number of nominations received at a given time. To have your entry be considered, please send complete information and a picture of the person with your nomination form to Laurie Olbrisch at Rainbows 2100 Golf Road #370, Rolling Meadows, IL 60008. Thank you for your help with these requirements.)
